***These two properties are a "Federal Homestead"
We are successors of the original Land patent
for each property. We have ALLODIAL TITLE
which means we have the highest form of title***

"Nothing passes a perfect title to public lands [] but a patent."

See Wilcox v. Jackson, 13 U.S. (13 pet.) 498, 101 Ed. 264

In Federal Courts, the Land Patent is held to be the foundation of title at law. Fenn v. Holmes, 21 How. 481.

EJECTMENT-In the case of ejectment, where the question is who has legal title, the patent of the government is unassailable, Sanford v. Sanford, 139 U.S. 642, 35 L.Ed. 290.

- Whoever trespasses on our property will be cited under Federal Law- Trespass violations can trigger fines of up to \$10,000, and prison sentences of up to 10 years, or both, pursuant to 18 USC Sections 241 and 242

- Whoever pays money for these properties will lose their money when it goes to Federal court.
