HARD NEWS **Tara: T** **Rama: R**

R / T: Greetings! Thank you, Rainbird!

***** we stopped here.

[Reads story about a Lebanese journalist's analysis/insights into the Saudi Arabia and Lebanon developments]

TARA: This represents the end of dictatorships—Bernie Sanders says he’s a democratic socialist, or social democrat—you can say it either way. The social part has to do with Divine Law, Matthew 25—“Give me your poor, and I will feed and clothe them and give them shelter.”

[35 For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, 36 I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me.]

37 “Then the righteous will answer him, ‘Lord, when did we see you hungry and feed you, or thirsty and give you something to drink? 38 When did we see you a stranger and invite you in, or needing clothes and clothe you? 39 When did we see you sick or in prison and go to visit you?’

40 “The King will reply, ‘Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.’ – Matthew 25: 35-40, New International Version]

RAMA: Lord, make me an instrument of thy peace!

TARA: Whatever you have done unto the least of your brethren—the sick, imprisoned, dying—all of this is the principle of the Law of One. There is no other way that we Ascend, evolve, become dignified, become a society based on the principles of Love, Peace, Truth, Freedom, Justice, and Beauty.

Without those six pillars—the Nazarene principles are based on those pillars, just the same as Moore’s [?] science pillars. The sixth pillar didn’t show up till very recently, which is that idea of beauty. So that was missing in terms of this painful time. This more recent adding it back into the mix tells us something about the possibilities.

In astrology, by the year 2010, the astrological outer-planetary alignment for the 1% started to break down, and the planet started to move into [an era of] usefulness for the 99%.

So the power of Love has always been in our favor, always been Us. Yet the identification with How we overcome this 1%, [who were] using that power and twisting it and manipulating the Goyim as they call us—this comes from Calvinism.

I heard that from Thom Hartmann today. He said the kind of God that Calvinism refers to, says that the wealthy have God’s blessings.

The question of who should rule would naturally come to that. Calvinism placed that principle with one that said that all people are evil, from the day you’re born. So those who become wealthy—

RAMA: Sound like Lucifer whispered in somebody’s ear!

TARA: Of course! So the wealthy received God’s gift, so they should rule.

That principle is what the entire evangelical movement is based on. Those principles, before Calvinism, go back to the 6,000 year mark. There was a seventh day. There were [according to Calvinism] only six days of creation—Genesis only goes back 6,000 years.

So the evangelical teachings say that's how old the planet is, and that we've only got one incarnation, that God is in charge, and you can't go to heaven unless you pray to Jesus.

They misqualified the energy of Jesus. They told some little lies, and they inculcated that only the letter of the law would be applied when you read biblical text. Well, the entire biblical text is in code, based on numbers and astrology!

The church said, "Those are all works of the devil. You may not consult your astrologist or astronomer or numerological codes."

War is peace and peace is war [from their perspective]. Unless you listen to the devil, which is Jesus Christ in this template, you shall not go to heaven.

You have the authority of God in your life—the imprimatur that the pope holds this infallibility over everything—they set it up economically, and power-wise.

RAMA: This is the false human ego!

TARA: The idea is that Love would never prevail, and equality would never exist. [It is vital] To [not] give this anymore chances—to not lie down and crawl under a table till it's over. There's a lot of movement now, where people are saying this has been a false matrix.

We are speaking to Power! On *Democracy Now!* today, these people [in Germany had] made a banner that was blocks long, and they took it to the biggest coal mine pit in all of Europe, and they unfurled it at the base of that pit. You could read it from space. I was impressed! . . . trying to remember what it said . . .

RAMA & TARA: [Talking about Franco Zeffirelli's film about St Francis of Assisi—the scene where he goes into the Vatican, in the film *Brother Sun, Sister Moon*, which is on YouTube.]

TARA: In front of the pope, he [St Francis of Assisi] took off all his clothes, and he gave them back to his father. His mother was in tears. He was talking about the birds being free, that that is how we're meant to be. And he said to the pope, "You wear all these robes!"

The people in the Vatican were slaves. They lived in the cellars of the Vatican, and they dyed all these master robes for cardinals and bishops, and they didn't get paid. They got fed and maybe got to go to church on Sunday, and that's it.

Our sister Janine was saying to us, 99% of all species on this planet are smaller than the size of a bee.

RAMA: When some of these species we have yet to even meet! And they may have the keys to enlightenment.

TARA: It's not just may have!

They said [on the long banner in Germany] something like, "Keep it in the ground" and "It's up to us" on that banner. That mine has destroyed 90% of the forest that it's in. It's 45 minutes outside of Bonn. It's called the Rhineland, where this mine is.

There is a final-ness to this time we're in, and it's the final day of the UN Climate Summit too!

T:

- For those who can, to share more and to bring more to this journey, which is to bring NESARA into the hands of the world, and to completely collapse the entire old system, which was rigged [against us] a long time ago.
 - The story goes way back to an invading force of reptiles. An invader force, for the last 13,000 years. They are being sent on their way, in various ways.

R: Indeed!

T: You might say [it was] their experiment in fear and greed and atrocities, and sex is never just sex, and money is never just money—it's always something else.

R: Yes!

T: There's no way to keep on keeping on inside this collapsing hologram. It's basically a hologram based on the cleverness of mind control and fear-based stuff, horrible things they've done by stealing advanced technology—taking starships out of the sky by various methods.

- Love always prevails! That song, "Choose **Love**," is where we're at. And "fear and fascination" with the darkness is really a very headachy pastime, to say the least.

R: It is!

T: We must look through the veneer, right, Rama?

- So you talked to Mr X today, right?

R: Yes.

T: We had a little chat about it. **Mr X** was commenting that the indictments of the Grump/Clinton crime family encompasses all the players that did 9/11. All of them.

R: Darth Vader—Dick Cheney, Mr Shrub Bush Jr. —the whole gang. And Rudy Giuliani is coming into the picture again.

T: The indictments of the Grump/Clinton families are changing everything.

Mr X said, "There are eyewitnesses soon to come forward"—and he said it was not that kind of "soon" we've heard so often, meaning generally soon—he meant this is in immediate proximity—"coming forward to say what they saw the morning of 9/11."

- This will implicate Saudi Arabia, Germany—all of the G8 family, and their extended compadres, in the G20 countries.
- "These eyewitnesses saw the people jumping out of the windows and getting beamed up into the landing bays of ships. They saw them being beamed up and disappearing into the landing bays."
 - They are alive and well, in the witness protection realm.
 - T & R had some friends who just disappeared from contact at one point. And they had told us things that they saw that jeopardized their lives. We kept putting them in the Circle of Support.

- That was a long time ago, 2003 - 2005. We've seen this happen to many, many folks
- Remember that everyone who went to the Other Side on and since 9/11 has the option to return, **in their fully healed bodies should they choose to do so.** In a sense, there's no death, they're still here with us, helping us as we are developing our inner eye and higher wisdom and awaken the kundalini. It's about seeing auras, communicating beyond the Veil.
 - It's important to remember there's not one part of us that is our body. Our bodies are vehicles we co-created with Mother, and they are vehicles which allow us to participate in this Divine Leela and to RE-member our extended spiritual family. We wanted to prove to ourselves that we could re-member our divine origins as co-created gods and goddesses, in spite of the veil that we intentionally created to test ourselves to find Love in everything.
 - Learning about our bodies through experience can bring up blockages, yet by following our heart we can dissolve the blockages and experience bliss. We are bliss balls, everybody!
- So that's quite a large discussion there.

T: Reads notes taken from RT news about a Lebanese journalist's analysis/insights into the Saudi Arabia and Lebanon developments

- a concise story and a video that goes with it: R hasn't seen the whole thing
- the Lebanese journalist gives the best analyses and insights into the shocking story between Lebanon and Saudi Arabia
- The Lebanese PM was ordered to go to Riyadh and announce his resignation; it has not been accepted by the Lebanese gov't They learned there is a connection between the forced resignation of Saad Hairie and Abdul Aziz bin Fahd who was said to have resisted arrest. Saad and Abdul Aziz had been close friends since childhood, and were partners in investment ventures like his cousin who was shot down by a Saudi plane when he tried to escape in his helicopter.
- Fahad represented the **whole wing** of the Saudi Royal family who are opposed to the Mohammed bin Salman takeover – they said he was trying to escape in his helicopter to Yemen – has to do with Sunni and Shia – the Shia have Iranian connections along with the Hutis; the Saudis are Sunnis.

T: This represents the end of dictatorship, monarchies every thing that is not democratic socialism as Bernie Sanders says he's a democratic socialist, or social democrat—you can say it either way. The social part has to do with Divine Law, as in Matthew 25

Matthew 25—"Give me your poor, and I will feed and clothe them and give them shelter."

- [35 For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, 36 I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me.' 37 "Then the righteous will answer him, 'Lord, when did we see you hungry and feed you, or thirsty and give you something to drink? 38 When did we see you a stranger and invite you in, or needing clothes and clothe you? 39 When did we see you sick or in prison and go to visit you?' 40 "The King will reply, 'Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.' – Matthew 25: 35-40, New International Version]

CONFERENCE CALL

What follows are notes, not a transcript. Please listen to the audio of the call to hear the complete discussion.

<https://fccdl.in/pGY85F3vu>

Caller/P: reporting from VA

Caller/ Ro: the Donald wasn't necessarily wrong – they DID sign up! [In response to the first part of the conversation about people signing up for the army and "knowing what they were getting into" - about the soldier called LaDavid Johnson who was killed in Niger.]

T: there are people who are totally misguided: there was never to be a standing army – the study of the constitution was taken out of the schools in the '50s so there was misleading going on

T: and it is not Donald's business to comment on what LaDavid Johnson chose to do, as he has never walked on that person's shoes

T: 99% of the info on the internet is a LIE – So because we've woken up to the level where we know what is going on - yet even at that, organized religion is lying too – and more people than we can imagine do not want to believe what they don't want to believe –

- we are still rather rare birds on this call

Caller/ Ro: and everything is coming to the surface now

T: yes, and the religions are getting the boot right on out of here!

Caller/C: thanks to all for helping raise consciousness – any comments on Al Franken today?

T: Ali Velshi took over for Laurence on **The Last Word** – Ali is Faction 2, yet said some interesting things; he also talked big time of the details of the tax scam –

- One of his guests was Charlie Sykes, author of **How the Right Lost its Mind** - great name for a book!
 - He first said: in the Russian investigation – 12 members of the Grump campaign have received indictments
- Andrea Mitchell said 4 more women have come forward about Roy Moore

• **Al Franken:** the first thing I want to do is apologize to Leeann and to everyone else who was part of that tour; to everyone I worked with, to everyone I represent; to everyone who counts on me to be a champion of women – I'm Sorry

- coming from the world of comedy, I have told and written a lot of jokes I once thought were funny and have come to realize they were offensive . . . it's not the intention that matters, but the impact on others that matters

• Senators on both sides of the aisle calling for an ethics investigation – including Al Franken

- and Leeann accepts his apology in her words

Ali: also explains how Leeann was inspired to come forward after hearing Jackie Speers' story about being assaulted – Leeann: 2017 is not 2006, and now is the time

More from Ali: Kirsten Gillibrand about Bill Clinton – she feels that Mr Clinton should have stepped down over the Lewinski affair: this comment was a headline in the New York Times

- Leann: she didn't come out sooner – afraid to speak out 11 years ago – wanted to say something and people around her said she'd get annihilated and would not get to work in that town
- Donna Edwards, rep from Maryland – a black lady who's contracted MS and works at the Brennan Centre for Justice [and Brennan is a war criminal]
 - Donna Edwards spoke of the process of the ethics committee: it's stacked against the victim AND the accuser – how inappropriate for Grump to send out a tweet

against Al Franken AS HE'S BEEN on tape grabbing at women! It is so deeply offensive - he is the one who needs to resign!

- Al Franken said all of us, especially men, need to think about how these actions have indeed affected women
- Trump has ignored Moore and gone after Franken – it's political

The Last Word with Lawrence O'Donnell 11/16/17

<http://www.msnbc.com/the-last-word>

Trump tweets about Franken, silent on Moore

Republicans and Democrats are handling scandal in their party very differently as is the President who slammed Al Franken but is yet to comment on Roy Moore. Fmr US Atty Joyce Vance, Conservative Author Charlie Sykes, and Fmr. US Rep. Donna Edwards Join Ali Velshi. Duration: 18:14

- this is about a much bigger story: it's returning the balance of equality between masculine, feminine/ male, female
- 500 AD - 1442 was when the printer came out
 - goddess worship was equally embraced by men and women; it was flourishing in spite of other things going on; the violence insert was never in the DNA of humanity – it was due to the reptilian influence when they deleted the DNA related to their emotions – they thought they would inflate
 - every woman, every man has DNA and hormones of both since conception; the determination of which way it's going to go does not happen until 4-5 months.
- The choice at 4-5 months is divine – we don't choose for personal reasons; our Higher Self has the capacity to see the bigger picture and knows that what is chosen is for the higher level of humanity.
- The experiments done with DNA were very vile: they did it later to get rid of non-Ayran people: all the regime changes, the people being forced into killings – all places where events occur are in places where people of colour live.

Question: What about Robert Mugabe ?

T: Has been in power for 37 years – and has never been in power at all – the US has been running things. He's 93 and in power since 1980

Q: Are the Chinese the major influence?

T: they use the US dollar in Zimbabwe; as they used zimbabwe money, would be as bad as in Germany in the 20s when people needed enormous amounts of money just to buy simple things like bread.

R: there will NOT BE A GLOBAL RESET.

T: Going back to 1997 and the Saudi insert –

- the Saudi princes in all their Mercedes, Rolls Royces – lined them up in Chicago in front of the Stock Exchange, and went into the First Continental Bank of Chicago – they put \$42 Trillion into that Bank to bring back the Farm Claims which had disappeared off the Federal agenda – they had to be funded – this was the beginning of NESARA.
- Rama got a call: "I would like to speak to Mother Sekhmet please!"

- Caller was King Fahad, head of the monarchy in Saudi Arabia at the time:
- It was the end of Ramadan when he talked to Mother: All through the month Ramadan, he couldn't sleep because she was in his dreams; he wanted to know why? What's up?
- She told him to take 42 Trillion dollars and put it in the First Continental Bank of Chicago or I will put you where the sun don't shine.
- To be at that level of what this is about – it's about Mother and her children!
 - Rama was working at a restaurant as a sous chef in a Saudi-owned hotel: Mr Ida was Rama's boss; Rama worked there for 4 years and 2x a week would go to Mr Ida's place and channel Mother, and Mr Ida reported back to King Fahad what was said.
 - They know who Mother is and they know they needed to do something
 - Rama left the restaurant in 1990 and, after that, would call up Mr Ida and ask him when they were going to stop killing women, and chopping the heads off people and stop playing that they were very good people
- In 1986 the Savage program, the Fisher program, the Taylor program popped up after 1985 and the death of Mr Bourgavaine by the CIA –
 - the programs with the names were the ones chosen to be assigned to the Light – with thousands of trillions of dollars in them – and no basis of anything real.
 - The whole idea of the dark ones was that they would have Lucifer reign through them via endless war and satanic ritual masses

Caller/Chin: something to say: has been watching a show called Mr Robot –

- last season, it was all about Pres Obama – this season started out with Trump
- The program this past Wed was about the guy trying to hack into the banking system and destroy all the files – when the whole event comes down, he tries to save things – turns out the Chinese duped him and destroyed 71 by fire or bombs,
 - the one he saved and he stands there with a group of people and who came out and made the announcement but President Obama – very weird as they just talked of Trump – when it all fell apart

T: What announcement is he talking about on that program?

Caller: that the banking system fell apart – that was the whole show

T: Obama will not make any announcements – not his job. Yet it could be a metaphor of him being a double agent – he will not be on the stage for the announcement.

- What is real is that there are 14 members who met at the Caucus Restaurant while Barack and Michelle were taking part in the inaugural festivities
 - Those at the restaurant swore to destroy America's banking system!
- So that is the deal – and who is in charge of taking out them and their dirty laundry? The KOS, St Germain, Ashtar – at the 38th level above the president
 - It's a metaphor - they **don't know about the White Knights**

MOTHER SEKHMET / ALCYONE M / A

Numbers to call: 888-429-5471 or 530-413-9537

Greetings in the Light of the Most Radiant One; In the Office of the Christ and only in the Office of the Christ, we invoke the loving energy of St Germain and the Violet Flame

T's request to Mother and the Universe

Fro the Cauldron of Thoth, for the records of Lord Kuthumi for the divine trinity of love, peace and wisdom; the 3 crows – ancient medicine birds and their presence through Omena – they are a divination of the 3 fold flame of our heart; and how do we apply the Cauldron of Thoth in this current

Greetings, Children of Ra!

- Indeed, the cauldron of Thoth creative magic that is. . we got the power and the aid of wisdom at the highest levels. It is this moment how we change this – what of love: everything going on is about separating this story from remembering that we are Love Divine; so much of this is all about distraction, pure and simple.

T: saying on the news that Trump was tweeting to distract people from the tax scam.

M/A: Of course. There is only one story going on and it's about the upliftment of humanity in so many ways. Even though it may look like Mordor, as She keeps saying, it's getting brighter and brighter with the frequencies pouring in. Love is the answer

- all the players here have had something to do with 911 - all coming full circle . It is . . .

T: Omena last night talked about the larger shift, about bringing the feminine back in balance with the masculine; the only way to do it is to get rid of the economic and political systems as they are built on negative male energy

- need a completely new template for the male which is the first time except for rare ascension processes in the male – this energy to become free: the males got the short end of the stick –
- all the religions were male dominated and based on all people being evil; Calvinism came about 100 years ago after the Gutenbury printing press – as the communications increased, people came to realize they could have more freedom
- only way to get free is to get rid of the system because it's based on war and killing – no good outcome from that approach.

M/A: Not the path the Master taught

T: that's right: Matthew 25 what you've done to the least of these, you've done unto me

- we take care of each other; educate them with freedom, equality, truth
- spirituality is everyone's gift: religion is an impediment

M/A: All these concepts of what Creator, the Most Radiant One is about:

- it is about the Force, the particles, the cosmic dance. One hand clapping – can't put it any other way; how we experience it is in this Now Moment. There is only this NOW moment; all the other stuff - future tripping, past tripping is - it is just this ONE moment –
- That is a big deal to, in each nano second, this one moment - that is what we are returning to as the energies get higher, and these old stories play themselves out in other realms
- Things are moving higher, and there is tremendous hope and the sense of so much magnificence showering down on this planet in all of us.
- It is a magnificent time to be alive, to be in these bodies, and to feel the energies pouring in, even with all the not so pretty stories about the emasculated male who is not emasculated - only in the head, and what head is it?

M/A: By emasculated male, She means the males removed the feminine from themselves by not honouring the goddess, putting the male patriarchy in its place.

T: A caller asked about the difference between Franken and Roy Moore:

- Omena said it's a vast difference, as Al admitted to what he did, honoured the feminine and said he was sorry. And she said she accepted the apology. He went on to apologize further about how long it took him to wake up to jokes that were not funny

M/A: In a more serious conversation, Stephanie Miller talked of this story with those on her show When does comedy cease to be comedy - it is about misqualified energies

T: and Stephanie is a comedienne

M/A: and she was bringing up that . . .

T: and John Fugelsang - she says he's all dick – it's the energy he exudes - and he's Catholic, as is Steve Colbert – yet they are not in the indoctrinated sense: they don't relate to the idea of male dominance like the church does; and he has such a feminine energy in his humour: takes the heart things, the teachings of Christ, in an expanded better way which is more of what we are talking about

M/A: it is about awakening to the magnificence of - when we sit in the Admiral's presence, the Planetary Prince of this Universe – it's not a small deal. And the magnificence of what is showering down on this planet now as the darkness scrambles to hide from the Light pouring in; there is nowhere to go except back into the heart.

- it is so auspicious to behold what is happening to this body, to bring the species as the energies rise to the occasion – love is the answer in the midst of weird, strange - how it best can be discussed – we are watching an interesting dance in how the male comes back to wholeness by embracing that which is about forgiveness.

T: back into the politics – they passed their tax scam in the house; something they have covered up and is talked off more in the alternative news is that the tax breaks of the corporation are permanent and literally about 17% of the 60% - they don't pay – the corp average is 19% and that's not true either.

- Most corporations don't pay tax at all – maybe they will do some upgrading in their corps something technical; hardly ever do the workers get a raise

M/A: everything about to change

T: We are witnessing what these ones are doing.

- Also the workers who make \$30,000 or less are **getting an increase in their taxes!!!**
So those working 2-3 jobs get increased taxes.
- The workers at \$75,000 or less **get a super increase in taxes!** And those tax raises will stay – good for 10 years. And remember that corporations are permanent.
After 10 years will get a way, way worse – and that is how they voted! Really really evil. It really represents a \$4 trillion deficit, not \$1.5 Trillion
- all of this is on the record but **not in the public eye** – only getting to it a bit at the time
- the Bush regime tax cuts + the war machine added \$5 Trillion to the deficit
- Something wrong with Mother's teeth . . .

T: Her concerns are alleviated in the knowingness . . .

- The **Saudi thing is being announced** because the oil prices are plummeting – Venezuela has more oil than the Saudis and it's not being talked about
- **Abby Martin – went down to Venezuela** to investigate in person - at least \$50 Million has been given to the opposition party which promulgates lies and says Murduro is a dictator – NONE OF THIS IS TRUE - it's the US Black Ops that are saying this so they can create a regime change and get the control of the country
- the whole thing about **Mugabe** – look at minerals, gold, diamonds, the rare earth minerals needed for communication devices
 - This is huge in Africa and South America right behind it
- the regime changes are happening in areas where there are lots of people of colour – where the white ayran race of western Europe, the US and Canada - these countries are choosing to colonize the world and eliminate as many people of colour as possible

M/A: yes it is the plan; it has been cancelled and they are being removed at this time – even if it is not being seen, it is happening at so many levels

- It is just the energies with the mouth: Rama's teeth hurt – going through something else with the energies – it is very much aware

T: as the bill becomes law, the Grump family **get big tax cuts** – at least a billion – this is according to an analysis commissioned by NBC news –

- This is NOT what Grump promised: he said his plan was for the working people, and for the jobs – said he wouldn't benefit! [said on October 27th]
- And **Ali says WOW**

M/A: ALL LIES!!!

T says to Mother if she wants to go, that's fine; Mother says OK.

M/A: A final note: the Republicans care nothing about the deficit; only an issue when democrats get in as they don't want the people to get any help

- the thing about parties is they have no basis in reality
- It is about the corporations that are going to be removed and also the lifeforms that hold no party

T: Lyn was saying is that the democratic party was going to go away

- the truth is that the established corporate parties will be dissolved and they will have nothing
- **there will be plenty for everyone else - THERE IS NO LULL PERIOD** – in the meantime, we are just squeaking by.
- The more we have knowledge and spread it around

- CHECK OUT PEOPLE’S VIBRATIONS – DO NOT THROW PEARLS BERFORE SWINE
 - as we wake up more, we have to remain in our bodies – we have the ability to respond to need situations and as we become aware of them, we can assist

M/A: as we go through this Jupiter energy right now with the new moon, remember to stay in balance and love

T: This is a good energy time – to speak truth to power

M / T: Greetings in the Light of the Most Radiant One – Kadoish, Kadoish, Kadoish

R: Has been to in the sick bay on the ship because of problem with the tooth

T: needs to do more brushing – use

Message: just to stay in balance and love at this time, as they are really pushing to create a mess – on top of what already exists!

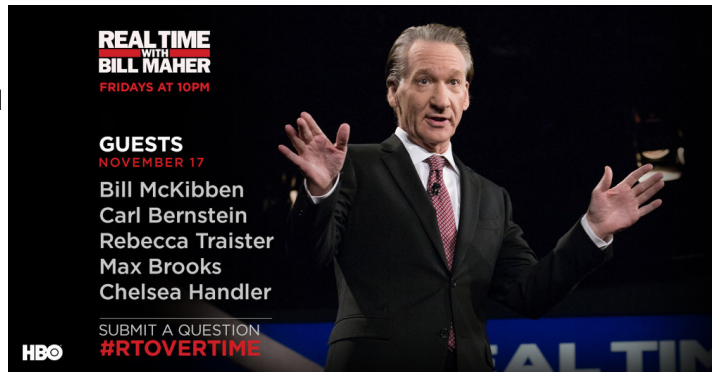

T: this is for us all to witness what they are really planning, and the damage that is intended for working people is not nice.

.100 years after the Russian Revolution of 1917 and almost ten years after the financial crisis that drove a stake of austerity through many of our surviving social democracies, this week on The Laura Flanders Show we talk about alternatives; alternatives to both soviet-style socialism and Wall-Street style financial capitalism, and we consider, what might the movements look like that take us to that new place?

For the last couple of years, I've been part of an initiative promoted by the Transnational Institute in Amsterdam (TNI), and incorporating activists and organizers from all over the world in a conversation about what many are calling "new politics." If the Russian Revolution is what factory workers and peasants came up with to challenge inequality under industrial capitalism and feudalism in the 19th Century, and social democracies -- with their taxes and social programs -- were what liberals in the 20th century came up with to tackle inequality under financial and corporate capitalism, what might activists in the 21st century come up with to move to a less exploitative, less extractive world where power is more equally shared. And what might the movements look like that take us there.

Trump's 10 Steps for Turning Lies into Half-Truths

<http://robertreich.org/post/157849401655>

Earlier this year the Wall Street Journal's editor-in-chief insisted that the Wall Street Journal wouldn't label Trump's false statements as "lies." Lying, said the editor, requires a deliberate intention to mislead, which couldn't be proven in Trump's case.

But Donald Trump is the most lying president we've ever had, and he seems to get away with it.

Here's his 10-step plan for turning lies into near truths:

Step 1: He lies.

Step 2: Experts contradict him, saying his claim is baseless and false. The media report that the claim is false.

Step 3: Trump blasts the experts and condemns the media for being "dishonest."

Step 4: Trump repeats the lie in tweets and speeches. And asserts that "many people" say he's right.

Step 5: The mainstream media start to describe the lie as a "disputed fact."

Step 6: Trump repeats the lie in tweets, interviews, and speeches. His surrogates repeat it on TV and in the right-wing blogosphere.

Step 7: The mainstream media begin to describe Trump's lie as a "controversy."

Step 8: Polls show a growing number of Americans (including most Republicans) believing Trump's lie to be true.

Step 9: The media start describing Trump's lie as "a claim that reflects a partisan divide in America," and is "found to be true by many."

Step 10: The public is confused and disoriented about what the facts are. Trump wins.

Don't let Trump's lies become near truths. Be vigilant. Know the truth, and spread it. The media should stop mincing words. Report Trump's lies as lies.
